

NATURKNIWWELER - PANDA CHALLENGE 2022

January: Tree Bark Rubbing

Material

1

Choose 4 different trees and place the paper against the tree trunk.

2

Run your pencil or wax crayon over part of the paper to make a print of the bark pattern. Repeat for each tree.

3

Look on the ground for a leaf or fruit from the tree you have made a print of.

4

Stick the leaf or fruit to the corresponding print.

5

Send us a picture of you and your 4 bark prints to panda-club@mnhn.lu.

Have fun ☺
