Fuerscher(innen) Panda Challenge

MAY 2023 - CREEPY CRAWLIES

Each month you can choose if you would like to complete the little or little and advanced researcher challenge!

Little researcher

Lay a **square** of **1x1m** with branches in the forest or meadow floor and look for **creepy crawlies**.

Make a list with the number of creepy crawlies you found.

Did you know that all insects have six legs!

Advanced researcher

Identify **4** of the **creepy crawlies** you found. You can do this using the *Seek by iNaturalist* application, for example.

e.g.

Draw and label the creepy crawlies.
